Doug,

Would you want to include any of the ORC attorneys in the outgoing email?

Respectfully,

Hi Yesenia,

Way at the bottom of all these emails are the attorneys' (Westerberg and Patterson) emails that the signed response (attached above) should be directed to.

Please let me know if you have any questions and please copy me on the outgoing.

Thanks,

Doug

Looping in Doug. The [Air Emissions Reporting Requirements](#) only require that criteria pollutants be reported. Many states report toxics voluntarily (and there's a new push to make it required), so I think this letter may be referring to the criteria side.

Doug, maybe someone could check the inventory for the Kohler Metals Complex?

Katie – Would you please take a look here and let me know what you think?
